Madam, Sir,

I am writing this reference at the request of Vladimir Estevez Carlucci, who is applying for a summer internship at your company. I have known Vladimir in my capacity as a teacher at Champlain Regional College in Lennoxville. Vladimir took System Design and Introduction to Databases with me and earned superior grades in those classes. Based on Vladimir's grades, attendance, and class participation, I would rate his academic performance in my class as exceptional.

Vladimir has several strengths to offer an employer. He is always interested in helping and collaborates well with other classmates. Vladimir is also a fast learner, has a general positive attitude and has a good sense of humor in the proper circumstances.

In conclusion, I would highly recommend Vladimir Estevez Carlucci. If his performance in my class is any indication of how he would perform in a professional environment, he will be a very positive addition to your organization. If you need any additional information, feel free to contact me by phone or by email at cfortier@crcmail.net anytime.

Kind regards,

Caroline Fortier
